Thank you very much indeed for your nice note of June 15 addressed to Mr. Cleary also your remittance of \$2,000 which we have applied to your account.

Your order for the new outfits numbered 8 through 12 was put in work soon after your telephone instructions to Mr. Cleary. We have also added the Poncho hood size 66 x 87 and the Wenger knife number 936. Incidentally, both these items were added to the "warm" outfit.

We hope to have the accumulation completed and shipment ready to release on June 30. The outfits will be labeled 8 through 12 inclusive both warm and cold. We have also instructed our Billing Department to issue itemized invoices in triplicate.

Cordially,

ABERCROMBIE & FITCH CO.
